I am

gradually trying to become a
dream that is within myself.

I am

peevish, but likeable.
I'm a hitch hiker on the road to graduation.
My mind is a parasite, feeding off the gestures
of others...

... A pamper is a step backwards,
toward the parallel crossroads.
My prime ingredient is expression.
I am a whole, I am one.
This is me.

Early this year, Mr. Campbell was transferred to Weber High. We will always remember him as a Great Laker who was not afraid to be a leader. His "Pay the Price" attitude has helped Bonneville to become Number One.

Where's my uniform!!!!

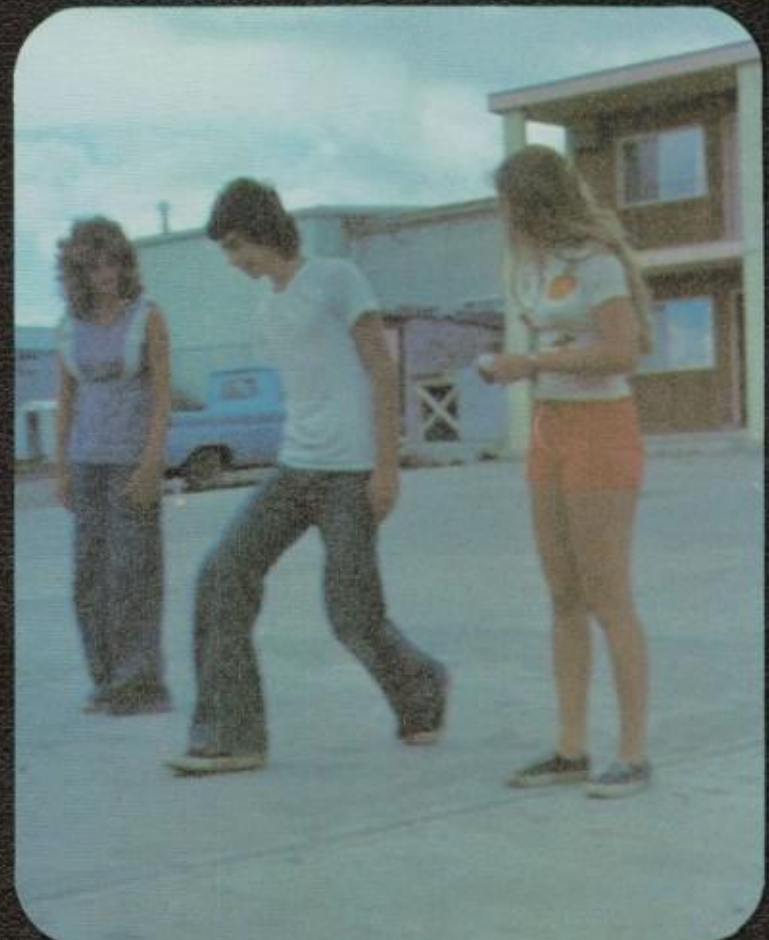

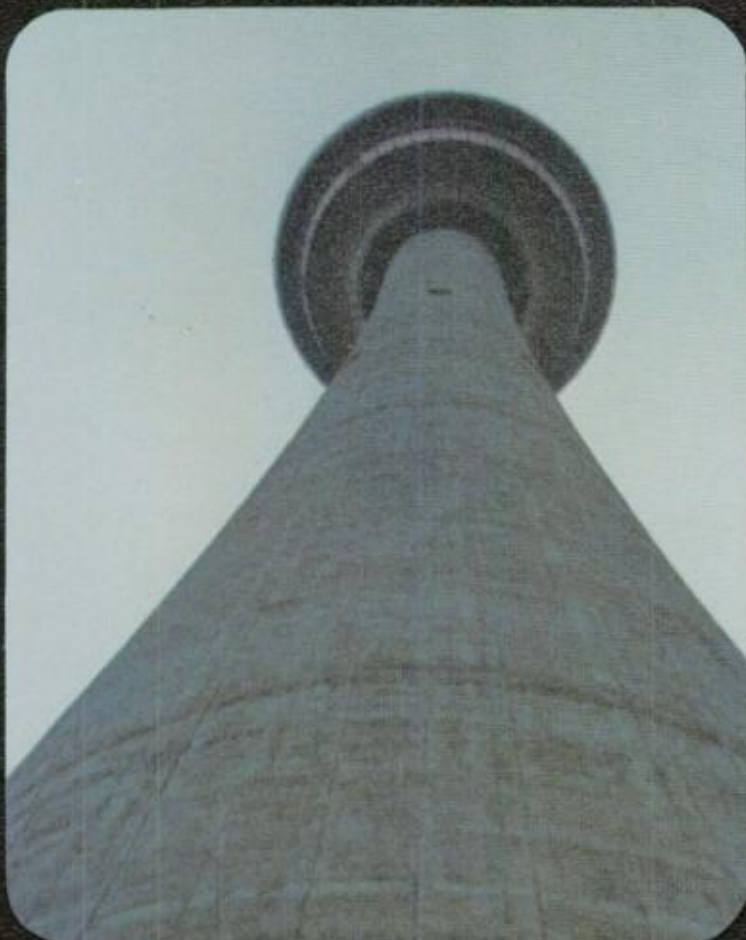

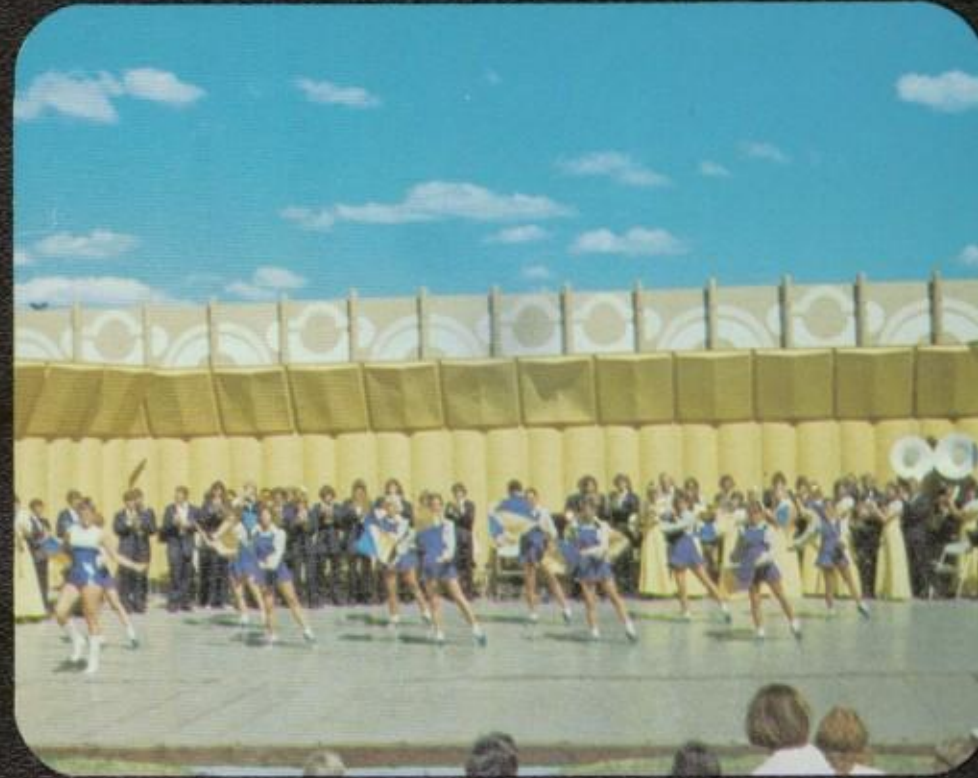

Come on!

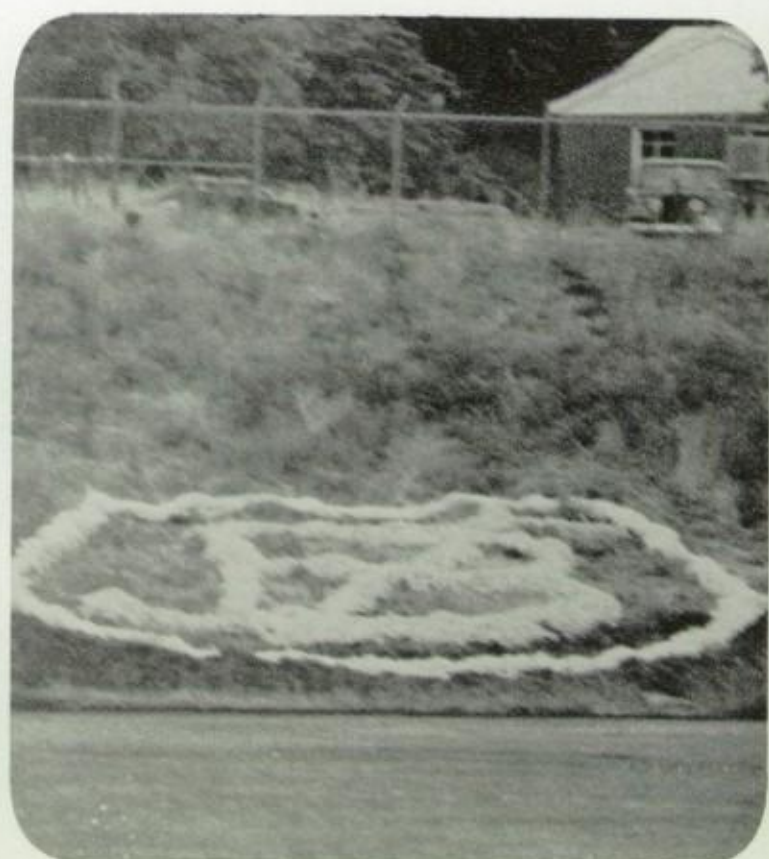

Blasting through Calgary and Expo '74, our Band, Tapestry, Cheerleaders, and Lakettes took Canada by surprise last summer. Though the trip was hectic and filled with tight schedules and early rising (as Miss Evans demonstrates) it was a fantastic

experience for all those who participated in it. After endless months of practicing, these great students united to give an outstanding performance at the Calgary Stampede and capture First Place in the competition for Large American High School Bands.

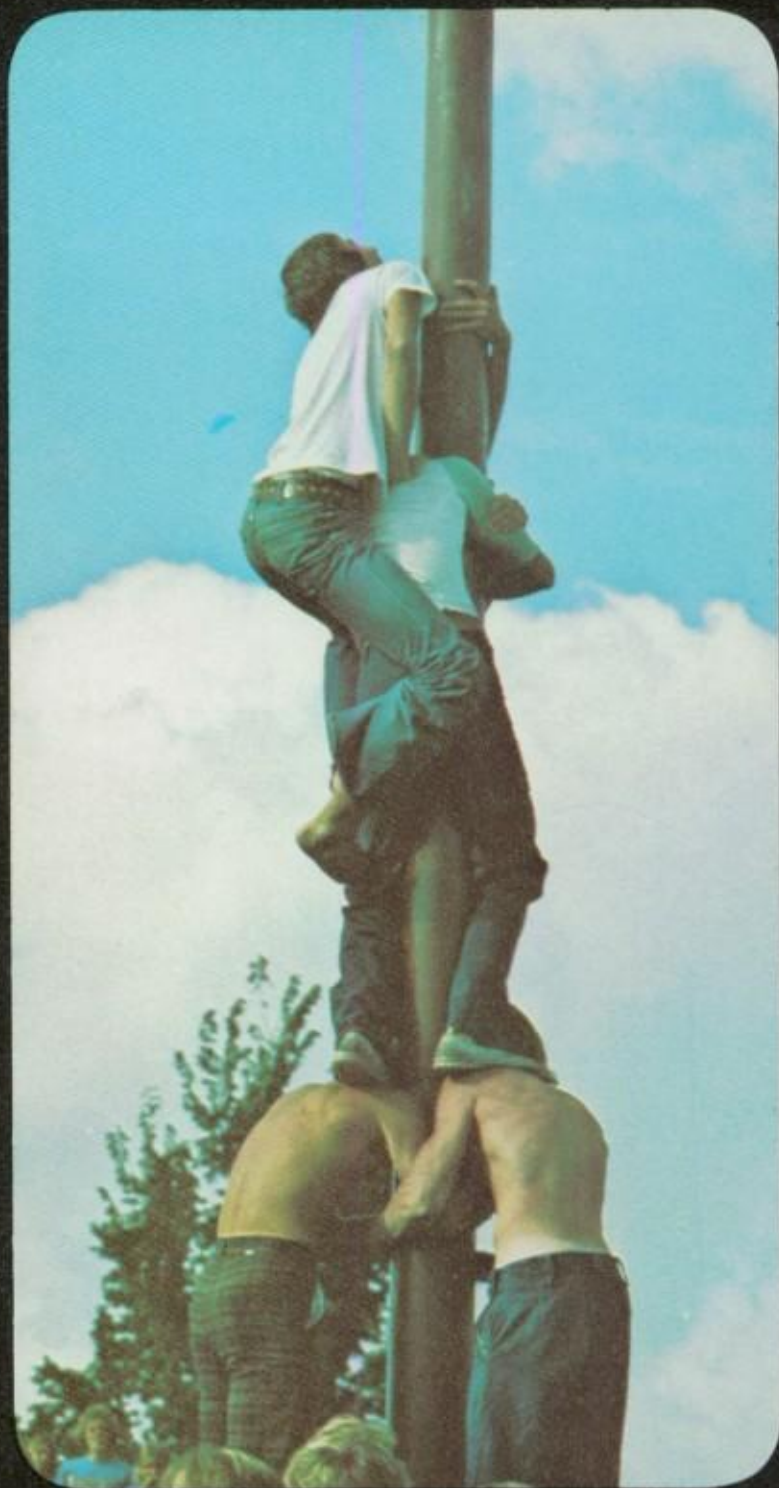

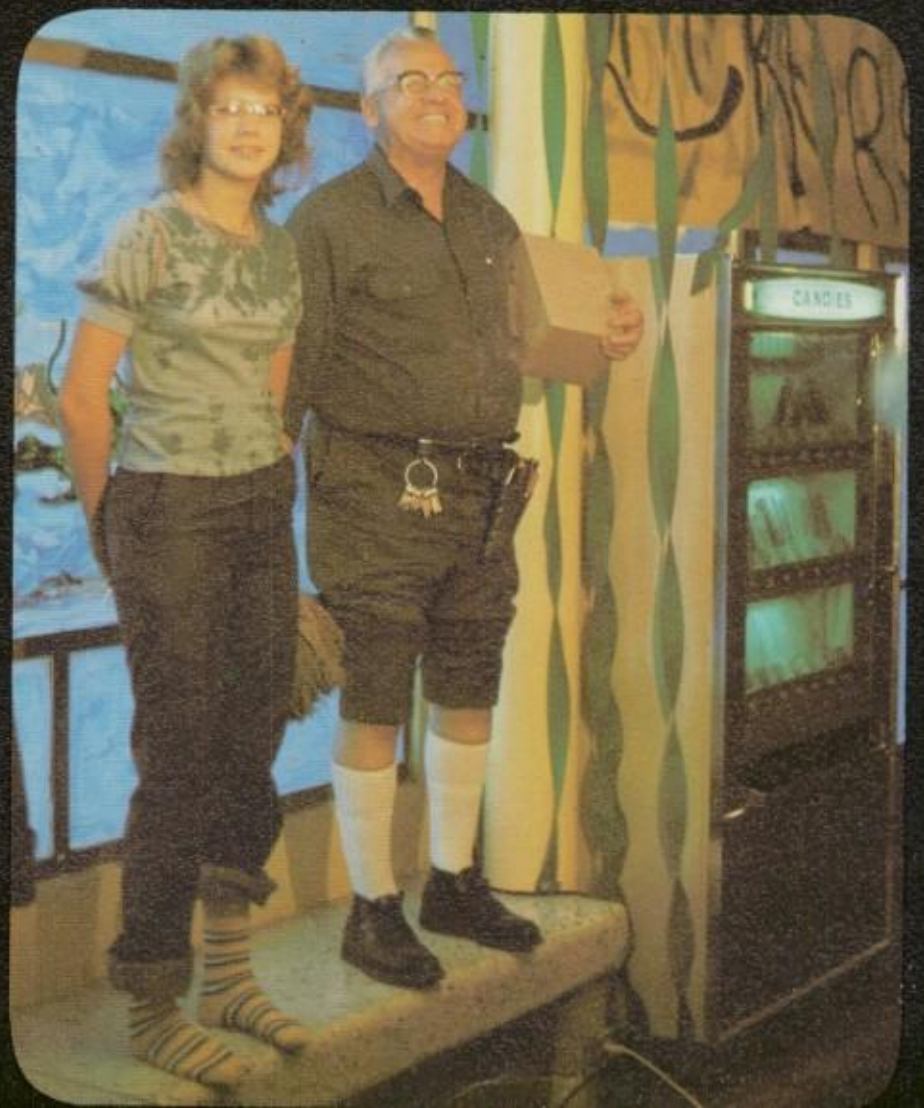

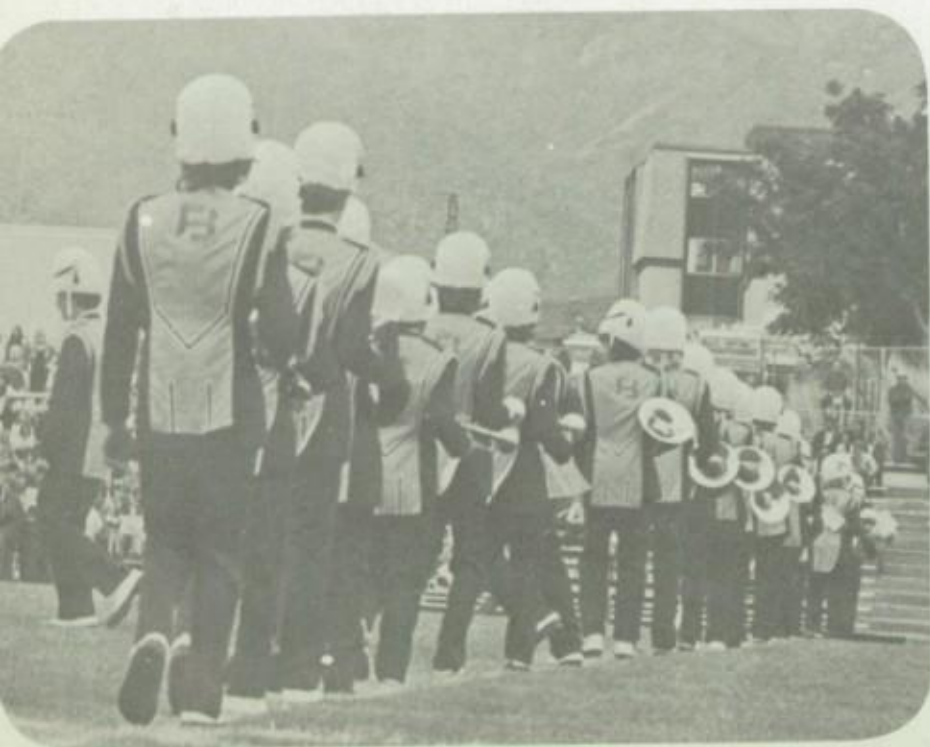

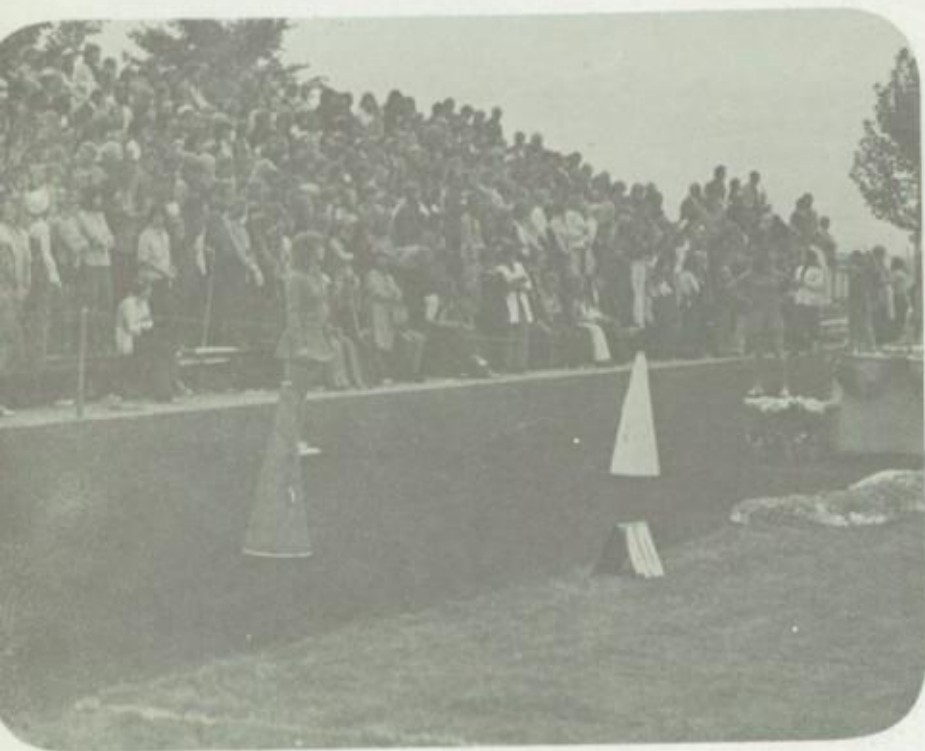

Sept. 30 launched the greatest Homecoming Week in Bonneville's history. Students arrived Monday morning to find themselves wandering extravagantly decorated halls, and surrounded by hundreds of students in LAKER tee shirts. Excitement continued to mount that day as Jackie Barker, Laurie Hunt, Cheryl Jacob, Carol Panunzio, and Debbie Mower were announced as candidates for Queen.

Enthusiasm expanded throughout the week through such activities as the Spirit Link contest and a fantastic Homecoming assembly, which recalled Laker Homecomings of the past. As a break with tradition, the annual bonfire was cancelled and replaced with a pep rally and stomp in the gym. Rain forced the traditional float parade to be postponed a day, but in no way did it dampen the Laker spirit which roared throughout the halls that week. Friday arrived with the annual outdoor assembly, and its cheering contests, spirit link roll-outs and bug races.

The assembly was followed Friday by an exciting football game, during which Carol Panunzio was crowned Homecoming Queen. That evening, through the efforts of many students, the gym was transformed into a huge ship. In keeping with the theme "Sailin' the Wind", it set the stage on Saturday for the largest and most successful Homecoming Dance in Bonneville's history.

We as your student body officers would like to thank you for all the support you have given us this year. It's been one fantastic year and we hope you enjoyed it as much as we did. You are a great student body,

and you made success come easy. We are really proud that we were able to represent Bonneville, the Number 1 school. It's been a bit of heaven. Thanks for the memories.

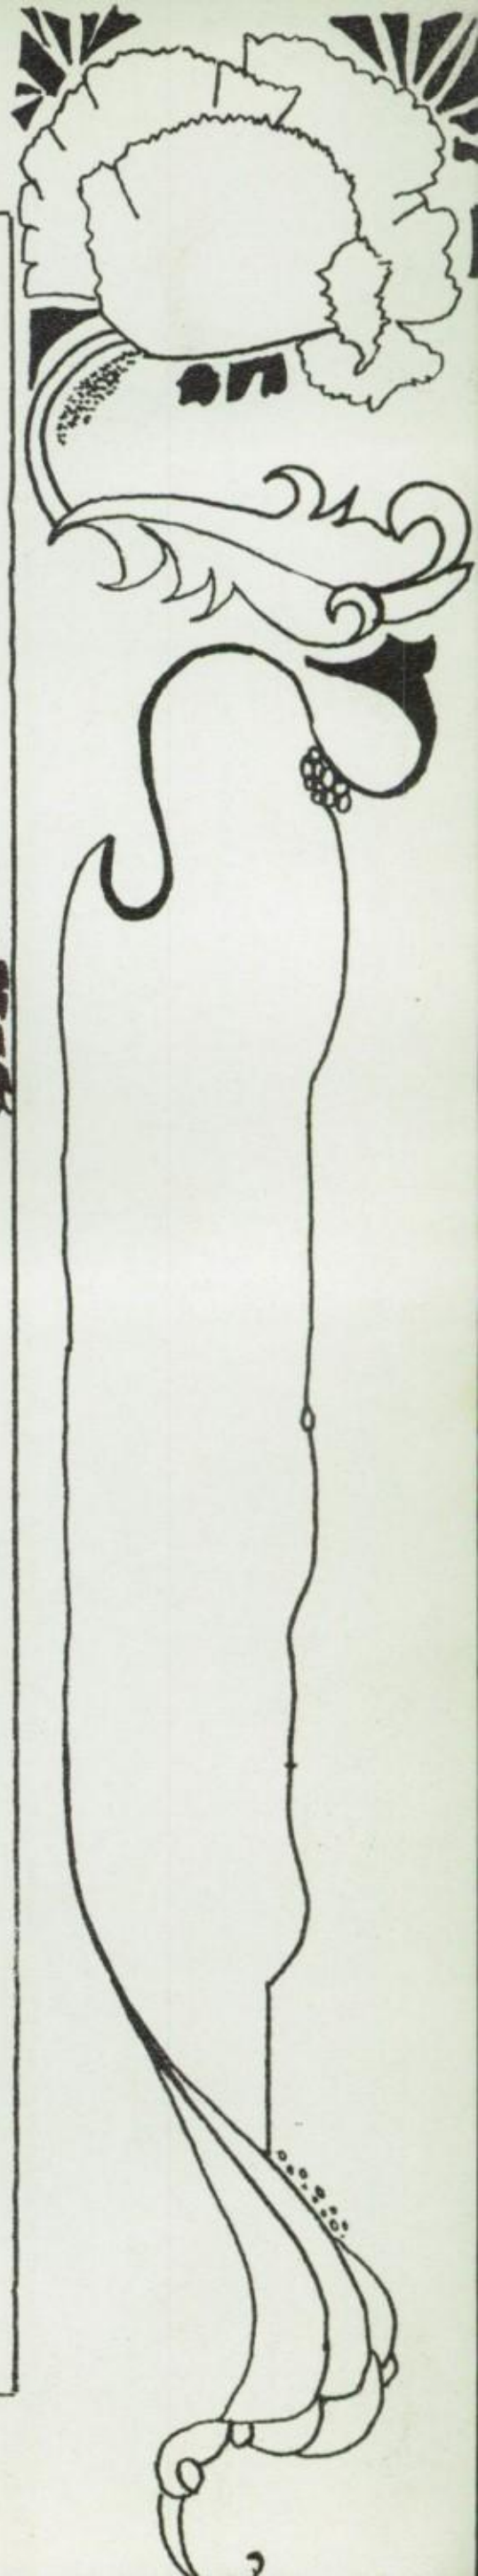

A black and white line drawing of a woman in a long, flowing dress, standing and looking down. The drawing is framed by a decorative border. The woman's dress is long and elegant, with a high collar and a long train. She is looking down at her feet, which are visible at the bottom of the frame. The background is simple, with some decorative elements at the top. The overall style is that of a fashion illustration or a book cover design.

A Special Laker

Kathy Hart is being honored in the Laker Log 75 for her outstanding achievements in track. Kathy has been involved in track for 7 years and 5 of these years she devoted to high jumping. She has been in four National Championships in such places as Los Angeles, Ohio, and Maryland. This year she qualified to go to New York for the Nationals in hope of going to the Pan American games in Mexico City.

From ages 13 thru 17, Kathy has held many New Mexico state records and now holds the Utah state record at 5'8". The future holds Olympic trials in 1976 then-on to Montreal Canada? Lets wish her good luck with our Laker best!

Girls Track

If you realize that this page is blank you are very intelligent. With such an outstanding mind you could become a bus driver to Hooper, a pin setter at a bowling alley, an inner tube patcher for a tubeless tire company, or even a photographer for the Laker Log Staff.

These lovely picture frames were reserved for the girls track team. The girls worked super hard and had a very successful season. With a coach like Skanky who threatened to spanky if the girls didn't takey first placey. The girls pulled through with the great Laker Spirit. We, the Laker Log Staff, would like to apologize for no pictures of our girls track team. So please don't blame us, blame our photographers and their adviser, Mr. Buchanan.

WHAT IS FRIENDSHIP? WHAT IS UNDERSTANDING? BEING IN THE UNITED STATES I HAVE LEARNED HOW WONDERFUL IT IS TO BE FRIENDS WITH THE PEOPLE ON THE EARTH. EVEN IF THE CULTURE IS DIFFERENT, WE CAN WORK MANY THINGS TOGETHER AND THIS IS THE BEGINNING OF THE WONDERFUL, PEACEFUL WORLD WITHOUT ANY HATE AND MISUNDERSTANDING.

Last summer I represented Bonneville as an American Field Service foreign exchange student to Denmark. Living with a farming family, learning a new language, and adapting to new customs were enlightening and broadening experiences for me.

Sophomore Class Officers

Here we have some candid's of our sophomores' drivers training class in action. Under the supervision of such patient instructors as Mr. Neves, the class of '77 is shown here attempting to learn the fine art of operating motor vehicles. Having reached the ripe old age of 16, these students eventually master such dangerous stunts as holding a Coke in one hand while executing a complicated left turn. Drive on sophomores!

Why is the angel crying? Because she's not graduating from Seminary.

Why is the devil smiling? Because he is graduating from Seminary.

Even though he slept through classes, he was in attendance daily.

But the angel is too active in school and has too many green-sheets. She has used up her seven days. Poor angel.

Even though the Seminary and Bible Academy sometimes gets the short end of the stick, we really appreciate their dedication and faithful services.

Special thanks to Mrs. Florence, Mr. Turner, Miss Bramwell, and Julie Boyd.

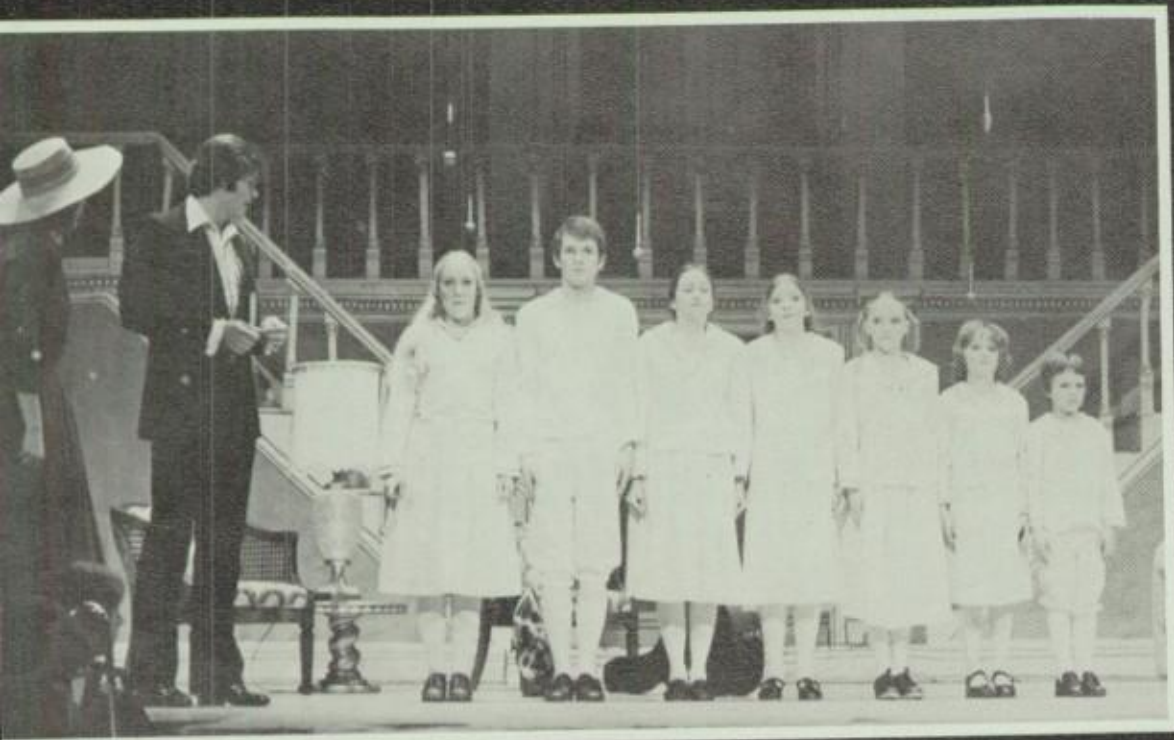

Orchestra

Undoubtedly the greatest musical presentation in Bonneville's history, *The Sound of Music* was acclaimed by several drama critics to be "nothing short of a Broadway production."

Under the supervision of Mrs. Florence and Miss Bramwell, the cast and orchestra rehearsed tirelessly for many weeks and delivered outstanding performances on March 20, 21, and 22.

In Memory of

Brett Barker

Spring and life are promises-
Both so beautiful and fleeting.
How soon the winter comes;
Too soon.
And all we have are memories
Of spring and life,
Of warm, soothing breezes
And soft, gentle colors.
K. James

Never-Ending

You had so much life within you
That some of it spilled over onto me.
You laughed; I smiled.
As you dreamt, I began to see,
And your wisdom made me learn.

Now that you have gone,
It would seem that time itself
Should Stop - as you did.
But even in your death, I have gained
A new experience and understanding.

It will stay with me always
And become a new foundation
On which I will build
A new - Yet very different - Life.
You never really stopped giving, did you?

by JOAN PENROD

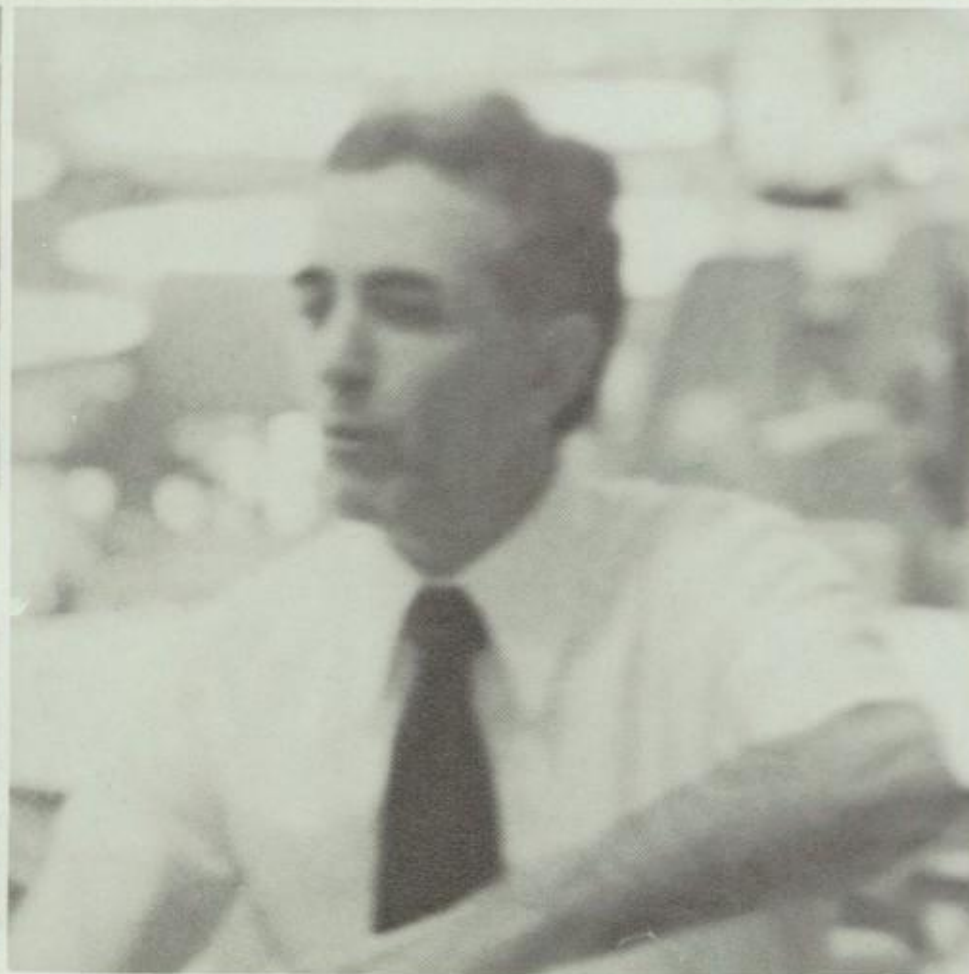

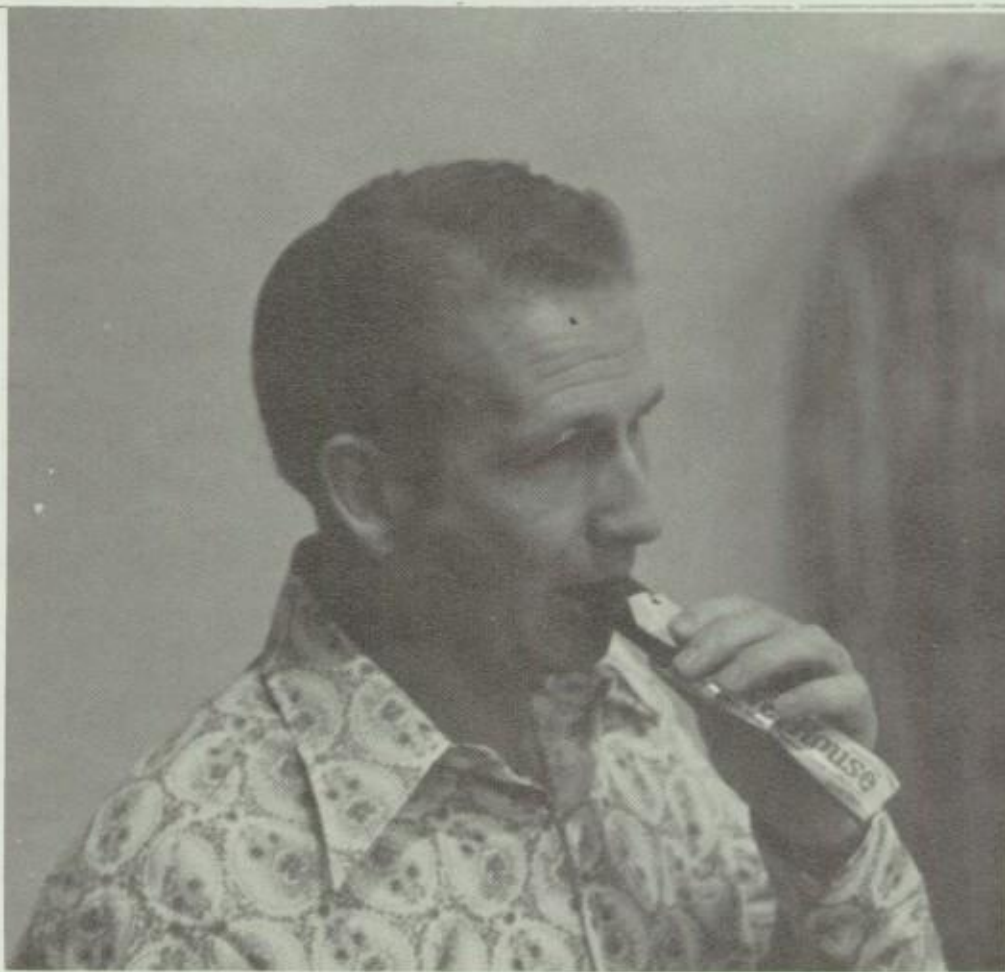

Glenn C. Weston

When one is gone-
Life continues.
Joy
And Pain
Love
And Hate
Flow through the billions of us
That remain
Like the blood
That nurtures our bodies.
Yet each of us that remain
Is touched
And is lessened;
For how can the leaving
Of something so rare
And so beautiful as life
Not affect the universe.

by KEN VAUGHN

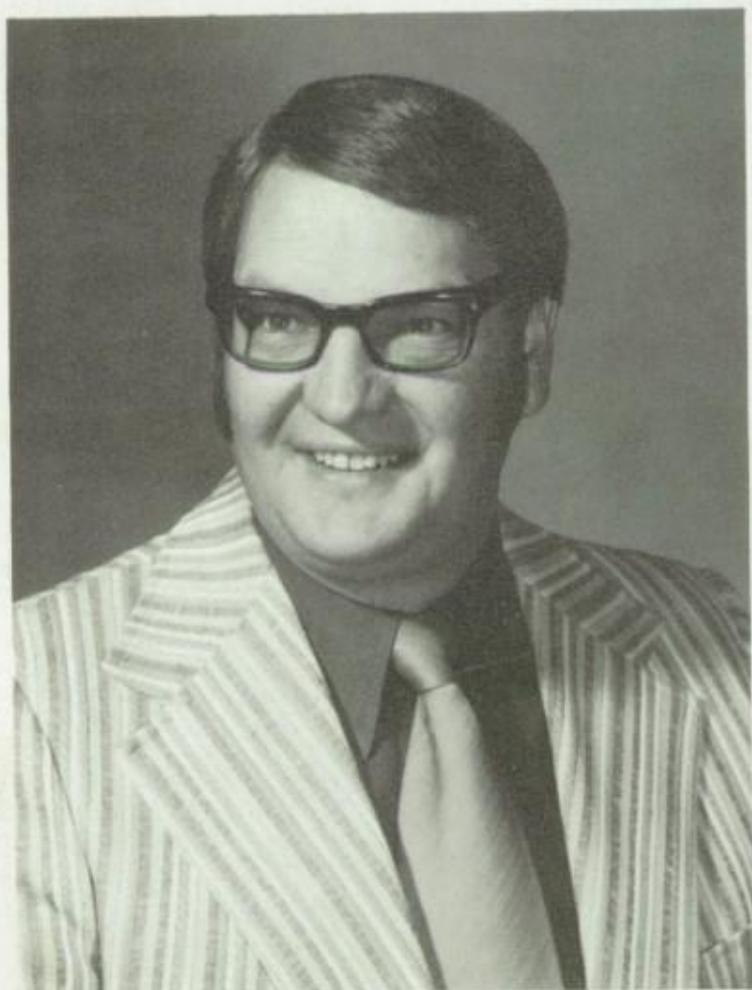

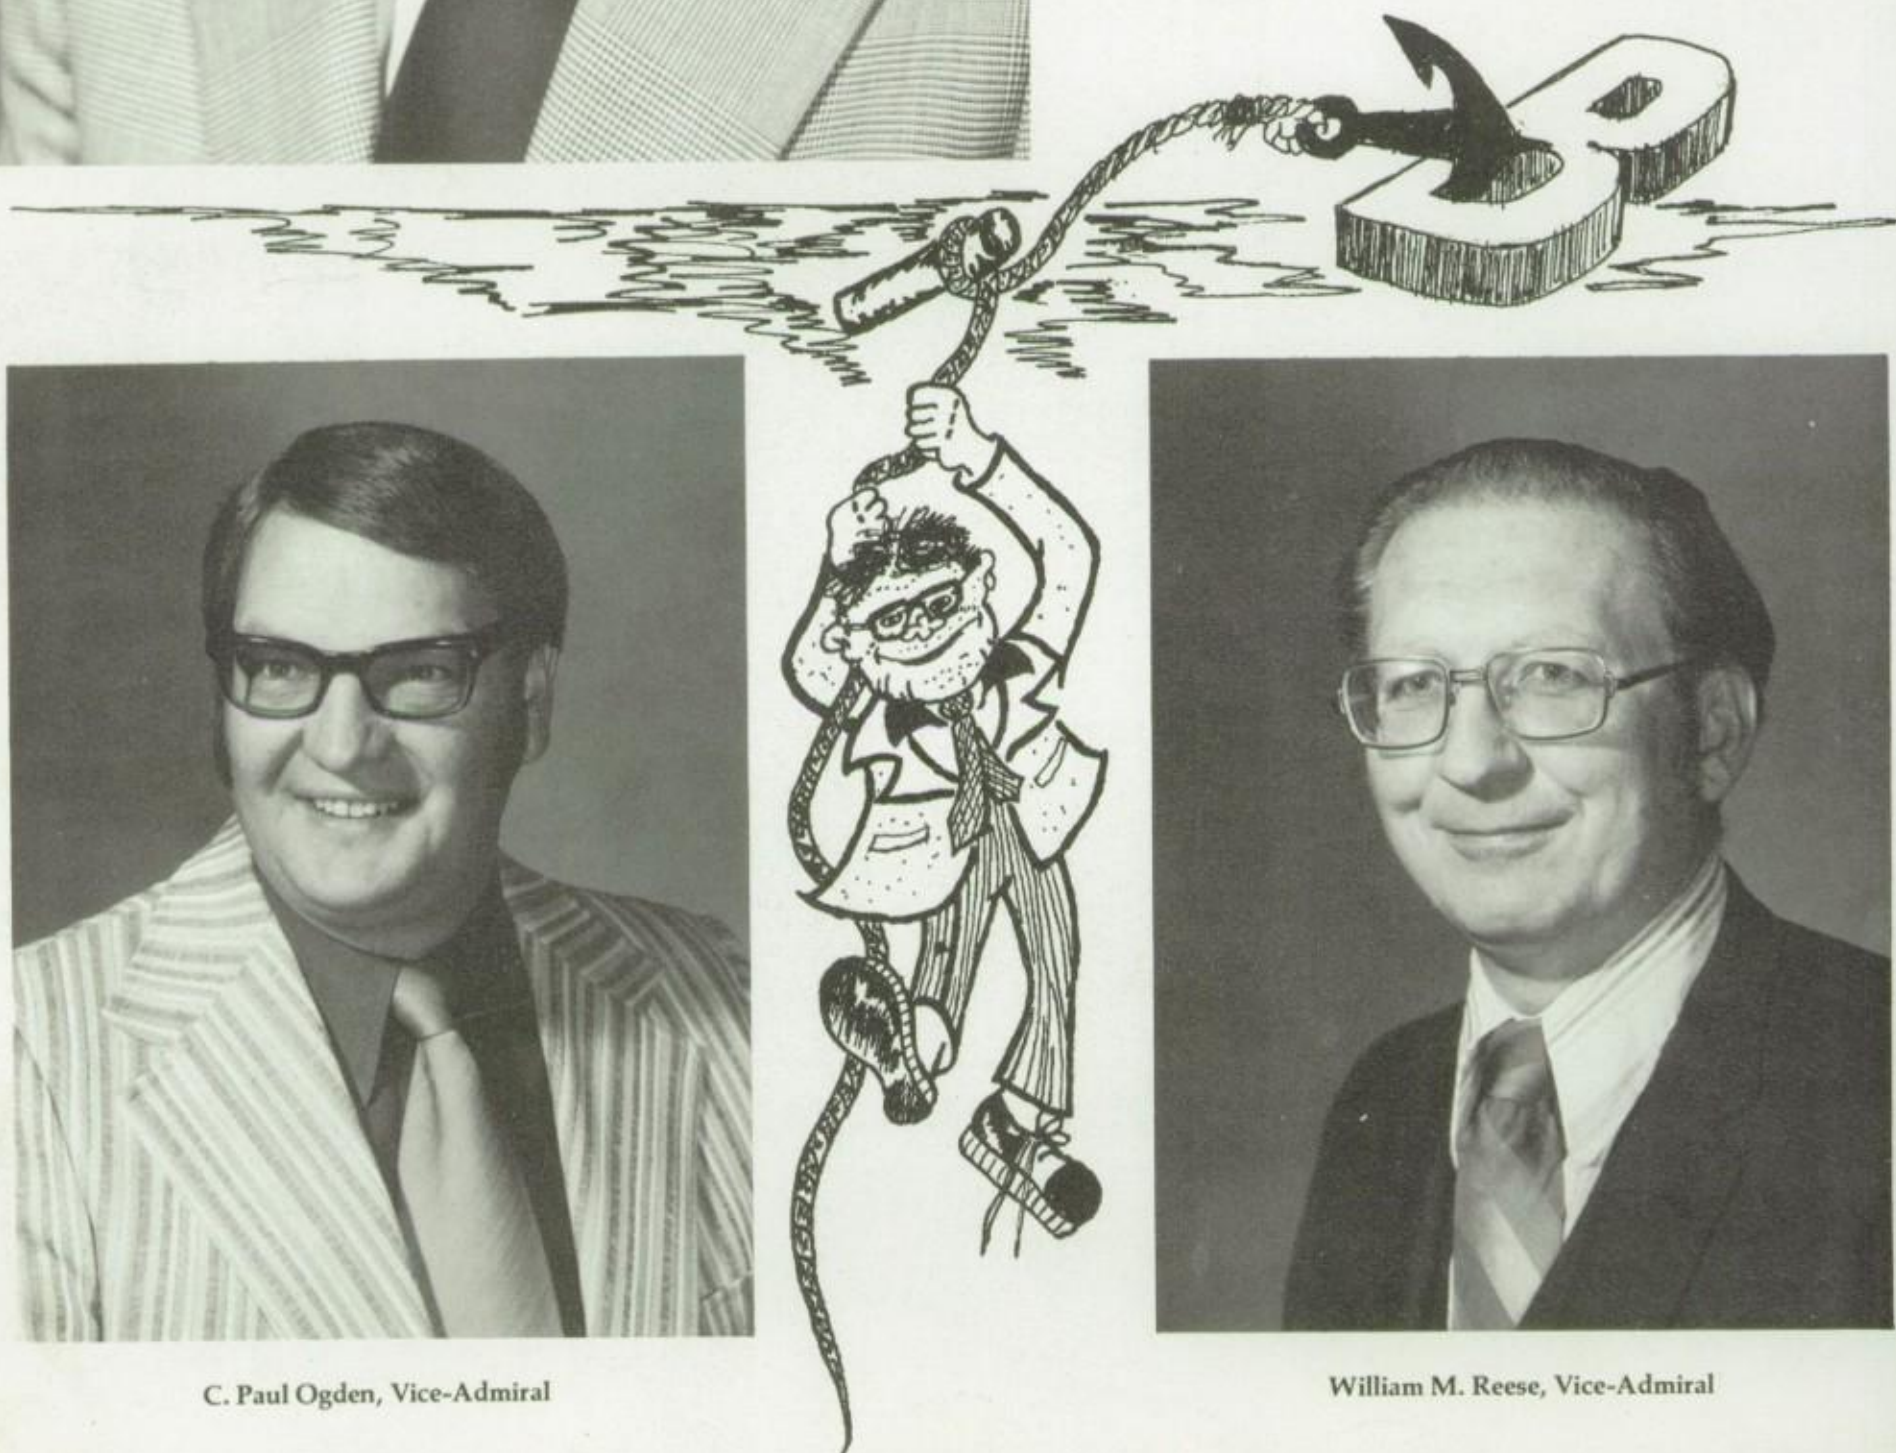

ENCOURAGEMENT

Admiral,
Jay Taggart

At Bonneville this year we have worked hard helping each other. Our faculty has provided an academic program of excellence. Student advisors have given us a program of activities that will be long remembered. Student officers and student government have developed programs that cannot be topped at any other high school. Lakers have been great in 1974-75. We have had many successes and few disappointments. Bonneville is what you have made it. As principal, I'm proud to be part of a tradition that calls for excellence in all areas. It's great to be back at the school all other schools look to for leadership - Bonneville High

We would like to thank the cooks for all the time and effort it takes to prepare our lunches. They do a great job even though they are teased excessively.

The janitors are really a great asset to our school even though their "beep-beep's" interrupted our classes hourly.

together*

I am...

Standing in the door-way of tomorrow.
It seems so far, so distant.
But yet only one step away
are the challenges I will face...

This is me.

In this our long and lovely valley,
'Neath the skies of blue;
Nestles our stately Alma Mater
So glorious to view.

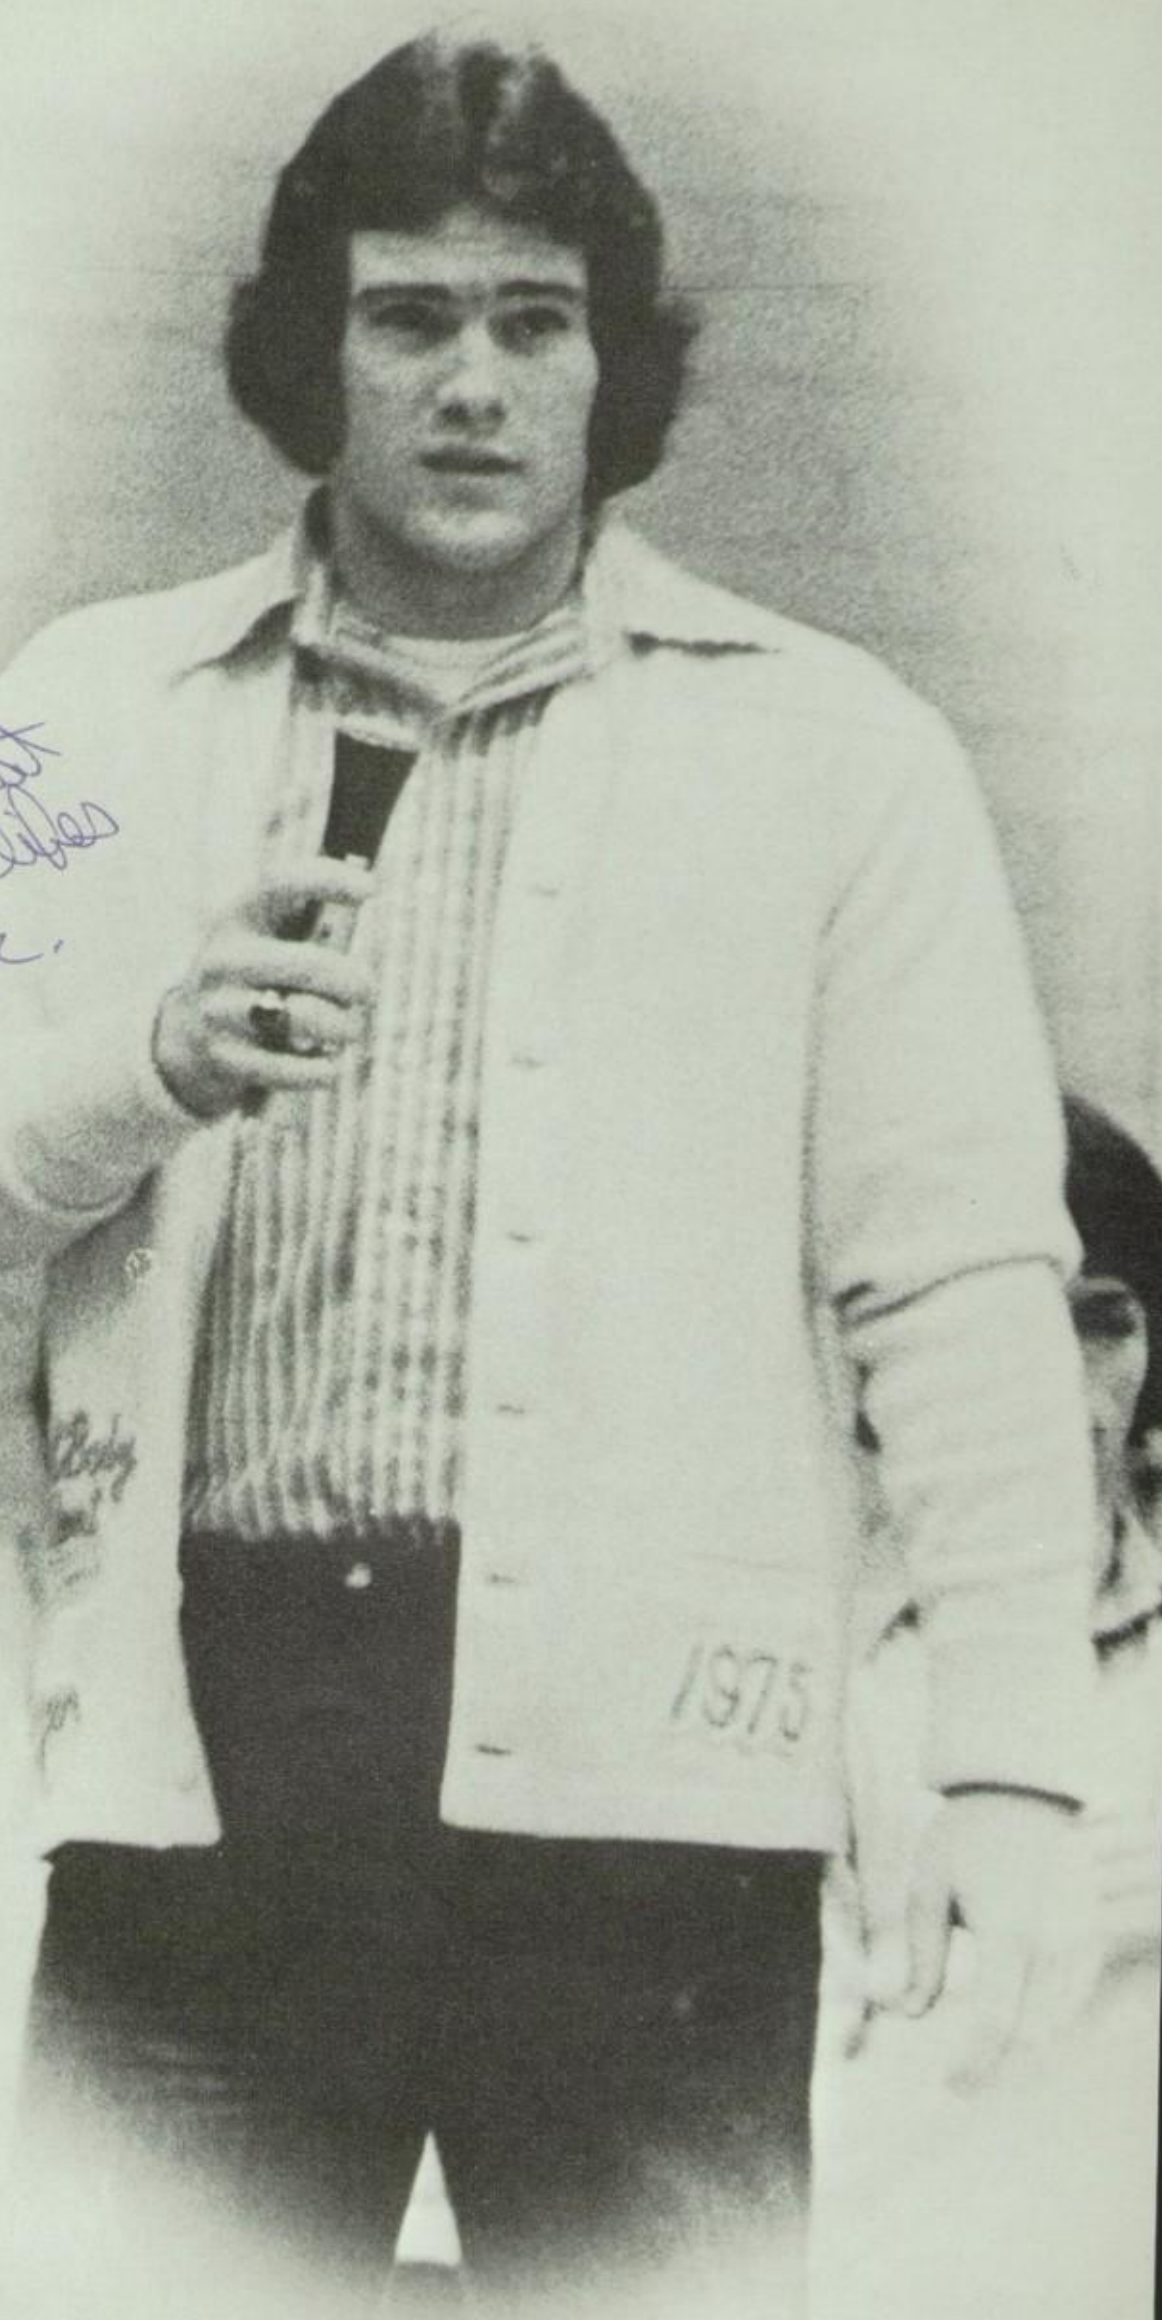

Chorus

Lofty mountains rearing skyward
These inspire in us their will.
Hail to thee, our Alma Mater,
Noble Bonneville.

To all who come she offers knowledge,
Friends and memories, too.
For this we proudly sing her praises
To Bonneville be true.

Beneath the shoreline of Lake Bonneville
May our school e'er stand,
A monument to truth and freedom,
In this our cherished land.

Words: Diane Karikka
